

# Habanero

**Features:** Large numbers of thin-fleshed, wrinkled fruit that turn from light green to golden orange at maturity. These peppers are roughly 2 in. long x 1½ in. wide and are used both fresh or dried.

*Tasty Vegetables*

**Days:** 95     **VERY HOT**     **Height:** 30"

## Uses:

One of the most pungent hot peppers and very late maturing.
